Dear Friends

There was a time when a good harvest was a matter of life and death. No surprise, then, that cutting the first corn was a cause for celebration, when hope and anticipation displaced the gnawing anxiety that was most people's daily fare. Lammas (from the old English hlafmaesse – loaf-mass) has its origins in the pagan lughnasadh and was at one time an important festival. It marked the arrival of ample food supplies (at least for a while) and a period of community labour with good company for the teams of reapers. In some English-speaking countries the festival of the wheat harvest is the first harvest festival of the year. On this day it was customary to bring to church a loaf made from the new crop of wheat harvested at Lammastide. The loaf was blessed, and in Anglo-Saxon England it might be employed afterwards to work magic: a book of Anglo-Saxon charms directed that the lammas bread be broken into four bits, which were to be placed at the four corners of the barn, to protect the garnered grain. In many parts of England, tenants were bound to present freshly harvested wheat to their landlords on or before the first day of August. In the Anglo-Saxon Chronicle, where it is referred to regularly, it is called "the feast of first fruits".

Because people lived hand to mouth the arrival of the Harvest was a big thing right from pagan times through to early Christian times. People were literally starving by the time harvest came so you can imagine the great joy they felt when the first bread was made and fields stood thick with the promise of more to come. Later on when food was imported in greater amounts the harvest celebration became more of a job well done rather than thanking God that empty barns and cellars were once more full. This was the point at which the supply of food was removed from its point of production. The shops always seemed to have food, July is no longer that anxious month in which people starve. We have lost the feeling that we need to thank God for his bounty.

It is strange that the more we have the less we feel we need to thank God for it. This year may not be a good harvest and although we will not starve it could mean great hardship for some farmers. It is all too easy to assume our food will always be there but if you listen to some experts there is a chance that one day we will be back to depending upon our harvest. Why not come along and enjoy singing those wonderful old harvest hymns and just say thank you to God for our food, show our gratitude and remember those who do not share in our plenty.

See the service grids for the times of harvest some will be held in September and October.

David

Dear Friends,

The start of six weeks school holiday. Again.

I well remember the different reactions to this time when I was a child; to me it was a seemingly infinite release into freedom from the day to day yoke and tedium of education and classroom tyranny. My parents on the other hand, who both worked, groaned at the additional expenditure of having me cared for and the worry of what I was getting up to in their absence...J A sentiment I shared when I had children.L

While there is so much more for children to do during the holidays and so many organisations including churches and chapels rising to the challenge, I am often concerned at how some children are being encouraged to the point of being forced to leave their childhood and become adults too early and take premature responsibility for themselves. As Reg Bailey, who is the author of the government sponsored report 'Let children be children' and former chief executive of the Mothers Union, said in his report, '...for children to be children, parents have to be parents'.

A famous pioneering psychologist by the name of Erickson who established what we now know as the seven stages of life said that each stage in life must be successfully and wholly completed in order to move on to the next one. In short, childhood is important, it is the foundation on which we build the rest of our lives.

Childhood should be a time of exploration and innocence; in his gospel Mark quotes Jesus as saying: 'Truly I tell you, whoever does not receive the kingdom of God as a little child will never enter it.' The image Jesus gives us is the ready acceptance and trust that children have, and that is how we should be with the Kingdom of God. As God does not abuse that trust, neither should society abuse the trust and innocence of children. Let children be children.

There is nothing like childhood and if you get the chance this summer, be a child again. It is a time to put responsibility and worries to one side and relax, but always make sure there is room for the presence of God.

With my prayers and best wishes,

Ron

It was a happy occasion for friends and family of "Griff" as he is known and especial for a lovely and haunting rendition of "Tu es Petras", performed by, a "pop-up choir" consisting of Griff's parents and other supporters. We wish all the family happiness in the future and look forward to seeing them again all again soon.

Obituary
Judy Brundan 1930 – 2018

It was with much sadness that we learned of the death of Judy Brundan on 10 April. Many relatives and friends formed the large congregation at a service of thanksgiving for her life, held in St Mary's Church on 26 April.

With a large extended family, Judy seemed to be connected to or to know everyone in Suffolk. She had led a very active life in Suffolk society and also literally, sailing and skiing until quite late in her years. Married to a farmer, when living at Lime Tree House she accompanied her husband to 10 Downing Street to present the traditional Christmas turkey to the incumbent, Harold Wilson. Following the death of her husband she married an old family friend, David Brundan, and moved to Russell House in Wilby.

Having filled various representational roles in Stradbroke, Judy took a well earned respite in joining the community in Wilby. Nevertheless she was a regular supporter of fund raising events in the village hall - often looking for a bargain on the bric-a - brac stall or contributing a cake for sale. A very dutiful member of St Mary's, many will remember with joy the lovely strawberry teas (and garden games) she and her husband David hosted at their lovely home in Russell Green in aid of church funds. Her simnel cake was particularly eagerly awaited at Easter each year, reflecting her excellence as a cook, skills frequently put to the test at home as she catered for large numbers of guests and relatives. A highly accomplished amateur artist, at weekly art classes in Walberswick she produced oil paintings at prodigious speed whether still life, landscape or life studies. She brought particular delight earlier this year in a painting of the gloves and shoes she wore when presented at court.

Judy was marked by her very robust approach to life and by her capacity and will to make the best of every opportunity. In her later years which included travelling to Norwich three times a week for dialysis treatment, (requiring her to wait in the road for the 6 am taxi) , she showed a total disregard for the onset of age and infirmity and was never heard to complain as these took their toll. Latterly even assuming the role of sole driver in the household. Forthright on many topics and aspects of modern life she was however invariably courteous and indeed inquisitive. It was therefore unsurprising that she would embrace the mobile phone and tablet with enthusiasm enjoying the instant communication with her extended family. The ability to view recorded programmes and films, allied to a voracious reading habit, helped her to while away many hours of treatment in hospital.

Albeit one of what would now probably be regarded as a passing generation, Judy was a splendid example to us all in so many ways – as citizen, churchgoer, hostess and friend.

Your Parish Council

Parish Council met on Wednesday July 11th and the following items were discussed, as always the formal record of the meeting will be posted on the village web-site.

Footpaths

Our footpath warden is Cllr Karen Collins who updated us and the possibility of having a proper map made up (for which we could obtain funding) to encourage their use was discussed, more to follow on this. Also, re-instatement of FP 20 (Cole Street to prospect House) is being followed up as requested. Please contact the PC if you have any comments on our footpaths.

Potholes

We have been told that repairs to London City Road are scheduled for 2019/2020 subject to funding approval. If you wish to express concern on the condition of the highways please e-mail us or Suffolk County and we will continue to make your feelings known on this. Meanwhile, if you consider a pothole, rut, road sign or verge needs attention there is a County website www.suffolk.gov.uk to report this. Please take the time to report problems and help make our roads safer.

CIL payments

This is the payment developers make towards infrastructure and amenities, we have been advised that £2154.19 is available for the Village Hall and £3093.64 relating to children's play, outdoor and indoor sporting activities. Let us know if you have any suggestions, the purpose of the Neighbourhood Plan is also to look at these things so we need your say please!

GDPR (General Data Protection Regulations)

Yes, it's getting to all of us including the PC and the Neighbourhood Plan co-ordinators and volunteers! It's not our idea and it's a lot of work so if you're registered to receive information from us you'll be hearing in a while, please don't shoot the messenger, just complete the information for us and then we can carry on. Wilby (& Brundish) WI The Houses of Parliament

Diane Palmer arranged for us all to be collected by Coach at 08:30am for us 'Country Bumpkins' to travel off to 'The Smog'... London!

BREXIT Protesters greeted us on arrival! – right outside the Houses of Parliament! It was apparent that this was perhaps going to have an impact on our gaining access into the Houses of Parliament. Diane though, acted quickly and was advised by Houses of Parliament Security that an 'alternative entry' for that day had been organised and we had to meet slightly earlier in an alternative building whereby an underground walkway/tunnel access was used, which led us right out in front of the Houses of Parliament – 007 James Bond stuff, intriguing!

Once inside the Houses of Parliament we were unaware just how many people had gathered for the BREXIT Protest – Hundreds! - from within we could hear all the speeches, applause and sometimes disapproval chanting!

The Tour Guides, gave us the most informative, at times humorous and educational tour of the Houses of Parliament, following in the steps of HM Queen Elizabeth II. We were shown inside the Queen's Robing Room, the House of Lords and the House of Commons Rooms – all of which were just amazing.

Sadly our tour had come to its end - but just enough time to down a Cream Tea! - before we had to re-join our Coach for our journey home to Suffolk. We all had such an enjoyable day trip to London – needless to say a chorus of 'Jerusalem' had to be sung on the way home.

Many thanks to Diane for organising such a lovely day – Excellent!

Framlingham Medical Practice

Mental health services – Have your say!

People living in east and west Suffolk are being urged to have their say about local mental health services as part of a unique engagement opportunity. The NHS Ipswich & East Suffolk and NHS West Suffolk clinical commissioning groups (CCGs) want to transform the way mental health provision is delivered across the county. That, they first need to find out how effective the people who deliver and receive the current services think they are.

Commissioners want to hear from people who currently use or have previously used mental health services, those who care for them and the staff who deliver those services.

All three groups are being asked to input their feedback via three surveys that 'go live' from this morning (Monday 2nd July). T

he surveys are part of a much larger engagement exercise that aims to help create a new model for east and west Suffolk that will bring mental and physical health services much closer together.

In a break from usual practice, the CCGs have commissioned four local voluntary sector organisations to engage with local people under the banner "The future of mental health – a very different conversation".

Suffolk Family Carers, Suffolk User Forum and Suffolk Parent Carer Network will co-ordinate a whole host of mental health workshops and events to gather feedback on the current services.

Healthwatch Suffolk will then gather and analyse the feedback before preparing a report making a case for change for the CCGs' governing body meetings in November.

To respond to one of the surveys please use one of the links below:

WILBY CEVC PRIMARY SCHOOL NEWS

The Summer term has been incredibly busy with a wide variety of activities for the children to enjoy and much to celebrate in terms of their achievement!

SATS results: We are delighted with our KS2 SATs results this year with levels in both achievement and progress being **well above** predicted county and national averages. Our congratulations go to our twelve Year 6 pupils and our thanks to their hard working teachers.

Gold Arts Award: Wilby school was delighted to find out at the end of May that they have been awarded the **Gold level Artsmark by the Arts Council of Great Britain**. The Arts have always been central to the ethos at Wilby Primary School but working towards the Gold Arts Mark has helped the school to identify and celebrate what we already do and to extend provision further in order to enrich the curriculum in innovative ways and to provide high quality arts experiences which extend beyond the school day.

Fundraising events:

Music for a Summer's evening: This year our Music for a Summer's Evening was an extra special event as professional musicians combined their talents with that of the school's pupils (past and present) in order to raise money for the Brain Tumour Charity. Suffolk born singer songwriter Matt Bayfield who has been diagnosed with a brain tumour headed the bill at this wonderful evening which raised over £500 for the Brain Tumour Charity

Our School fete on June 30th was also a resounding success and has raised well over £1000 for school funds Thanks to everyone who supported this fantastic family event.

Foxearth Open morning: Our brass group and choir were delighted to perform as part of this event on June 13th to raise funds for the Macmillan Cancer Charity.

Sporting success: This term the children have successfully represented the school in rounders and cricket tournaments at both inter- school and intra-school level. Sports day was also a tremendous success with pupils enjoying receiving their medals on the podium. Wolves House was the winning house for the day!

Summer Performance: Y2-Y6 produced an amazing musical about the life of Charles Darwin. Their performance of '**Darwin Rocks**' was a tremendous success and pupils also went on to sing excerpts from the musical on the main stage at Stradisphere in July.

Trips and days out:

Owl Class had an amazing day at **Alton water** in June enjoying kayaking, sailing and raft building. Wren class and Kingfisher Class visited the **Dinosaur Park** in Norfolk as part of this term's topic focus on Dinosaurs. Year 6 enjoyed a brilliant week at the **Hollowford centre in the Peak District**. They also enjoyed a **Bowling trip** and

Recipe Page

Many of us have a glut of fruit and veg at this time of year. This recipe is a good way of using up either courgettes or cucumbers, it tastes like the pickle used by McDonalds (so I'm told!) it is yummy!!

Courgette/cucumber pickle also known as
Bread and Butter Pickle (Kosher if using Kosher salt)

Ingredients

3 lbs cucumbers or courgettes thinly sliced
1/2 medium onion thinly sliced
1/4 cup salt
2 cups white vinegar
1/2 cup water
1 cup sugar
2 tablespoons mustard seeds
1 teaspoon celery seeds
1 teaspoon turmeric

Method

Place sliced cucumbers/courgettes and onions in a colander. Toss the salt into the vegetables and leave to drain for at least 6 hours. Rinse and dry off the mix.

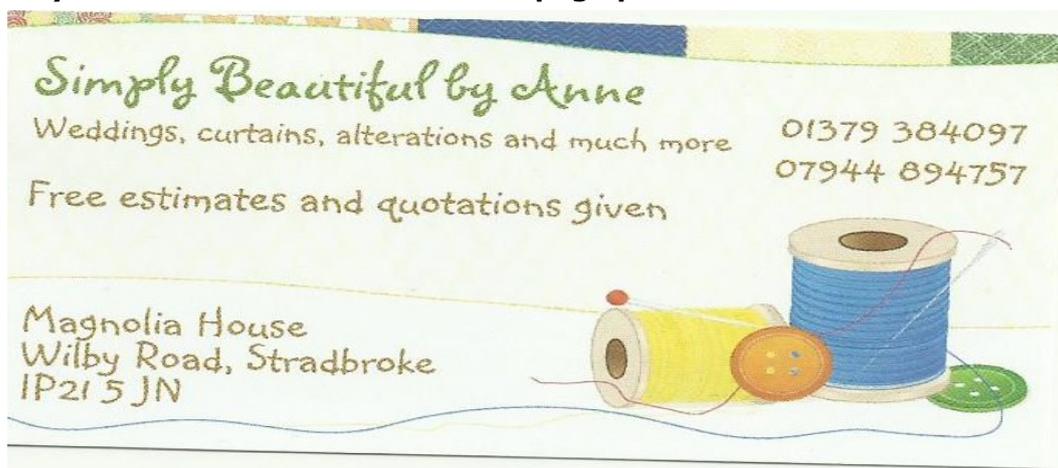

Put the rest of the ingredients in a large saucepan and bring to the boil.

Fill the sterilised jars with the vegetables leaving 1/2 inch at the top.

Pour the vinegar mixture into the jar covering the vegetables. Seal the jars leave to cool. Store for a few days before opening then keep in the fridge when opened.

Enjoy!
