| <b>Roads</b>                               | Potholes are now being filled – AB has taken up a campaign of nagging which appears to be working. All incidents are photographed and logged and followed up. Work is being done to a slightly better standard.<br>Street signs – AB had costings – total cost would be about £300 altogether. Some local people/businesses had offered to contribute – will see how much can be raised from this source. Made suggestions for where signs should be placed to take account of the fact that the post office idea of where the streets were is different to the district council's. |
| <b>Neighbourhood Watch</b>                 | No police report available; AC not present  |
| <b>Village Green</b>                       | Fund raiser – now will probably be in the autumn to allow more material to be gathered.<br>Re village sign – is in hand; awaiting better weather to get machinery on the green to take the sign down – Mary Moore the maker has agreed to repair it for nothing.<br>Phone box – HG has been investigating how it can be repainted or refurbished. GW proposed a small working party could at least clean it up. Then a decision can be made if it needs repainting.   |
| <b>Correspondence</b>                      | Emails had been previously circulated. Query regarding redirecting of footpath at Foals Green – no objections.  |
