May 2014

Dear Friends,

Just over a hundred years ago – on 23rd January 1914, an Act of Parliament came into force which established our diocese as St Edmundsbury and Ipswich; this effectively embraced the whole of Suffolk, with the exception of Lowestoft. Previously, this diocese had been split between the Diocese of Ely and the Diocese of Norwich. In the last 100 years, we have been served by eleven bishops.

Every church in the diocese was earlier this year sent a specially commissioned candle by the Archbishop of Canterbury to mark this special centenary celebration; in the letter accompanying the candles, the Archbishop said: *'(these celebrations) will culminate in the Cathedral on November 23rd. On the evening before that gathering, I encourage parishes and deaneries to join together for a party: to celebrate God's goodness and faithfulness over the past 100 years, and to look ahead in joyful hope to the next 100 years.'* So please write in your diary on November 22nd: 'Party!'

Of course 2014 marks another centenary, the start of World War One and we are also being encouraged to mark this in our communities. Please, if you can, do remember and mark these two important events this year. Both events recognise sacrifice, service and love and as we thank Jesus Christ for these gifts in our liturgy, 2014 gives us the opportunity to mark these milestones and help those in our communities who reach out for a spiritual dimension to life.

With my prayers and best wishes.

Ron

NEWS FROM WILBY PARISH COUNCIL

The Parish Council held its regular meeting on 5th March 2014.

The Council dealt with a number of routine matters and discussed in particular the issue of Neighbourhood Planning.

Neighbourhood Planning

The Council has been an observer at initial meetings held by Stradbroke Parish Council who are considering the issue of Neighbourhood Planning. Much work and expense is involved in the development of a Neighbourhood Plan and Council will be giving careful consideration as to whether such a plan is appropriate for Wilby and if so whether the plan should be linked with surrounding parishes. In essence a Neighbourhood Plan would give the community some influence in controlling future housing or commercial development within the parish in terms of location and the type of development, provided this was consistent with current planning policy. For the time being, Council has agreed to keep in touch with developments in Stradbroke and to invite the District Council to speak on the topic at the Annual Parish Meeting so that everyone has a better understanding of what a Neighbourhood Plan is and how beneficial it would be.

Annual Parish Meeting

The Annual Parish Meeting will be held in the Coronation Hall at 7pm on Wednesday 7th May 2014. Representatives from organisations in the village will be invited to attend and share with the community what they have been doing over the past year and their plans for the future. As indicated it is hoped to have a short presentation on Neighbourhood Planning. This is also an opportunity for parishioners to raise and discuss any matter affecting the community. Everyone is therefore warmly encouraged to attend. The Annual Meeting of the Parish Council will follow on immediately after the Annual Parish Meeting.

Council Vacancy

There is still a vacancy on the Parish Council. If you are interested in representing the local community and helping to improve services and the quality of life in Wilby and are a British, Commonwealth or EU citizen, aged 18 or over please get in touch with either the Chairman (Ian Williamson Tel: 01379 388034 or the Clerk (Alex Pullen 01379 608625). The next opportunity for candidates to be considered for co-option on to the Parish Council will be at the Annual Meeting of the Parish Council on 7th May 2014 (immediately following the Annual Parish Meeting) .

NEWS FROM WILBY SCHOOL

The FOWSA (Friends of Wilby School Association) committee have already started planning and preparing for this years Wilby school summer fayre.

The committee would welcome help from parents, grandparents or the local community in pulling together another successful event.

There is a kick-off meeting, which will be held in the school on Wednesday, 21st May at 7.15pm. If you can spare any time helping with preparations and arrangements for the fayre or are able to man a stall on the day, please attend the meeting or contact Justine Barber on 01379 388040 to find out more.

FOWSA also welcome external stall holders, if you wish to have a stall at the fayre for a donation of £10 or donation of equal value to the grand draw, please contact Justine Barber.

The aim of the summer fayre is to give the children, their friends & family and the local community a really good, fun, summers day out with BBQ, bar, refreshments, stalls, games, tombolas, an inter school football tournament and much, much more. Fundraising is also a key aim of the fayre as FOWSA provides the children of Wilby school with the "icing on the cake" items that the school budgets cannot stretch to. This year alone FOWSA have spent £4,000 on iPads for the children to use in school and £370 on a new school projector as well as making other financial contributions to the school. To help FOWSA continue to raise money for the children any donations towards the fayre for stalls or for the grand draw are gratefully received. The following donations are desperately needed:

- *Bottles of wine*
- *Beer (bottles, cans, kegs etc)*
- *Bottles of anything for the "bottle tombola"*
(any bottle from champagne to ketchup to shampoo)
- *Good quality toys, large & small - anything & everything!!!*

If you have anything you are able to donate, please place them in the black FOWSA bins located in the school playground, outside the main school entrance or hand them in at the school reception.

Many thanks for all your support - we hope to see you at the fayre on 12th July!

WILBY CORONATION HALL

WHAT A WONDERFUL SPRING!

Life has kicked off with beautiful plants showering us with colour and energy.

Gwen and Victor Warne were presented with one of twenty awards given by Babergh and Mid Suffolk County Council at the John Peel Centre for their time and devotion given to organising the running the Wilby Village Coronation Hall. It was a grand occasion. Victor made a point of saying that they would not have been there if it had not been for all the people who use and work for the hall.

At the village hall we see more people and different activities taking place. I went to the Wilby W.I. group and branch meetings last week and intend to go again. It is so interesting. It caters for all ages under the leadership of the capable Mary Ellis.

As usual the dances, including the Line dancing sessions , continue to be a highlight. They attract people from far and wide. Some come to learn, copying others.

Dancers with high skills continue to enjoy and admire the facilities available. More private events are booking in too.
Yoga is about to start.

The lunches continue to be a success.

**The next Village Lunch will be on
TUESDAY 20th May at 12.30pm**

LADYBIRDS WILL BE PREPARING :
*CHICKEN CASSEROLE, NEW POTATOES, 3 VEGETABLES

ST LAWRENCE'S CHURCH, BRUNDISH

Easter Celebrations

St. Lawrence's was a joy to behold during a busy Easter weekend, playing its part, as it should, at the spiritual heart of this village. All the services were just wonderful and it's down to all those marvellous people who do so much, in any way they feel they can, to make the church relevant and vital. You know who you are.

Thank you and God bless you all.

Please note that your church is always open during the day for private prayer.
If at any time you would wish us to pray for anyone you know,
please inform one of our Lay Elders.

Rogationtide Service

11 a.m. Sunday, 25th May at St. Lawrence's Church

"What on earth is Rogationtide?" I hear you say. Well, earth has something to do with it. Rogation, from the Latin "*rogare*", means to ask for as in "interrogation." It is a prayer to God asking for the blessing of the fields and protection of the crops in them, ready to grow. The top end culminating in the Harvest celebrations, if you like. It is a very different service which this time coincides with our monthly Holy Communion service. For those uncertain about HC services, why not come along. Any member of our congregation will be on hand to guide you through it all, and as ever you will be made very welcome. David Mulrenan.

Licensing Service for The Reverend David Burrell

This service will take place in the evening of Thursday, 26th June for 7 p.m. at St Mary's, Worlingworth.

Please come along and welcome our new Rector.

Flower Rota for the church

How are you at a bit of flower arrangement?

Could you give up a little time throughout the year and for the big occasions,
i.e. Easter, Harvest and Christmas?

If so, the church would be very grateful for your help.

Please contact Mig Bacon on 01379 388808. Many thanks.

Do you think you could sing in a church choir?

The Chantry Singers, who are based at Brundish, are on the look-out for new recruits. We meet at 7 p.m. on Friday evenings, not all year round, but sometime before big church services such as Easter, Harvest, Advent and Christmas.

We would also like to practise for a special service in July to commemorate the 100th anniversary of the Diocese of St. Edmundsbury and Ipswich.

If you would like to join us, please contact our Director of Music,
Michael Spencer on 01728 724590.

How to spend a summer's day, or two or three? What could be better than looking at interesting and beautiful paintings, photos, prints and pictures, over 300 of them, displayed in the wonderful building that is Brundish Church, and then wandering across to The Chantry to see sculptures in a delightful garden setting? By then you will have worked up an appetite and can refresh the inner man, having, maybe, satisfied yourself by buying one of the works of art on display. Note the dates! You won't be disappointed!

Brundish Litter Pick

A big vote of thanks to all those who were involved in last month's litter pick which, encouragingly, turned up a lot less rubbish than in recent years. As a community, we are very mindful to keep our village tidy and long may that continue.

Brundish Events Group

Regrettably, there has been absolutely no response to last month's request for a few more people to step forward to help with the Events Group. People have busy lives, and that also would be true of those who have helped before. It can only be hoped that someone can spare a few hours now and again. In the first instance call David on 01728 628063 if you can get involved in some way.

Thanks very much.

Brundish Films - Spring 2014

Thursday, 8th May
Philomena

We have had a very successful film season in Brundish this winter and we thank all those who have made these evenings such a success through their regular attendance and to those also who have helped administratively, helping run the bar, wash up glasses, put chairs away and put up posters advertising our films (and for telling us where the thermostat was!).

On Thursday 8th May we will be showing the last film for this season, the much acclaimed *Philomena*, starring Judi Dench and Steve Coogan. Certificate 12A, the film depicts a world weary political journalist who picks up the story of an Irish woman's search for her son, who was taken away decades ago after she became pregnant and was forced to live in a convent. Doors open in the Village hall at 7 pm for a 7.30 pm start, tickets payable at the door (Adults £5, Under 18s £4.50).

To reserve your place please telephone **David Mulrenan** on 01728 628063.

NEIGHBOURHOOD WATCH

Daylight burglaries

Many people don't pay as much attention to their home's security during the daylight hours. This is because people tend to feel safer when not surrounded by darkness. However, when looking at statistics burglaries are just as likely to occur during the day.

A burglary at a property can occur at anytime day or night, in fact many burglaries occur during the day, as offenders tend to blend in better with the surroundings and are able to offer more plausible excuses should they be challenged, such as *"I am lost"*, *"I was looking for Mr X who lives somewhere around here"*, *"I thought this property was for sale"* and *"I've lost my dog"*, along with various other excuses that can be more easily made during the normal daylight working hours.

If your home is unoccupied during the day here are a few tips to help you to improve security:

ALWAYS lock your doors and windows when you leave the house, even if it's only for a few minutes. Make sure your locks reach British Standards and are fit for purpose. Never assume that your home, garage, shed or studio will be safe while unlocked, even if you're currently at home. It only takes a minute for someone to enter and take what is not theirs. Remove ALL tools and objects from within your garden that could be used by an offender to break into your home with. ALWAYS set your intruder alarm if you have one, during the day AND night. And consider installing an alarm in any outbuildings too. Battery operated alarms can be purchased from Sudbury, Hadleigh and Capel Police Stations for £8 each. Use lights and, especially during the day, radios on timers inside your home. Property mark all electrical and valuable items with a UV & permanent marker pen, which can be purchased from the above stations for £1 each, or use a property marking solution like Smartwater or Selecta DNA. Register any items that have serial numbers on the UK property database www.immobilise.com for free, including any bicycles and power tools.

Ensure your perimeters are secure with fencing or appropriate hedging and lock side gates at all times with a padlock or mortice lock.

IF YOU REMEMBER JUST ONE THING... Remember to store ALL important valuables including jewellery and cash out of sight and if possible in a hidden wall or floor safe. The first place an offender will look is in the top drawer of your dresser unit, or in the back of a wardrobe. **DON'T MAKE IT EASY FOR THEM.**

Petty theft in the Church

Unfortunately, there has been a spate of petty theft and vandalism in the village lately, which has included things being stolen from the church.

There has been nothing of great value taken, but suffice to say it is a nuisance, and one has to feel sad for those who would wish to steal from a church. Perhaps their need is greater than ours, however it would be better if it didn't continue and for their sake they are discovered.

We must all be vigilant and keep an eye out for any suspicious behaviour.

Thank you.
