August 2016

Dear Friends,

What does WLTM mean? Well if you have ever perused the lonely hearts columns in the paper you would know it means: Someone *Would Like To Meet* another person with particular characteristics. Imagine if it were not a human being you WLTM but God.

You would probably meet in the place built in his honour, the church in each of our villages. I wonder what would your requirements be? Many lonely hearts lay down hopelessly idealistically (and rather unreasonable) conditions such as '*young slim and attractive*'.

So trying not to be unreasonable, what are your requirements where God is concerned? Here are some possibilities:

'I only want God to be there when I need him.'

'Church must be exactly the same as when I was a child.'

'Fun times only, not difficult/boring/challenging bits.'

'If the Church was like it is at Christmas, something to bring the kids to, I'd maybe give it a try'.

But just suppose God has been saying to us all our lives that he WLTM us. Not just those of us who go to church regularly, but everyone. He does lay down one simple condition, that we come as we are, without excuses, without dictating terms, without thinking that Jesus is just someone like Father Christmas for small children to know about and then grow out of. God wants to share his love with us as we are, he does not expect us to be saints. Would our defences then come down as we realized his love for us is genuine and caring, far more than the human ideal advertised for?

Church services may not always press the right buttons, but no-one is saying that they or we are perfect. The Old Prayer Book encourages us '*to render thanks for the great benefits that we have received at his hands, to set forth his most worthy praise, to hear his most holy Word and to ask those things which are requisite and necessary, as well for the body as the soul*'. That's a reasonable programme for all of us, not just at Christmas but in August too.

David

NEWS FROM WILBY PARISH COUNCIL

The Parish Council met on 6 July 2016. In addition to a number of routine business items the following items of general interest arose.

Devolution

Suffolk County Council will shortly launch an on line consultation on the proposed devolution plan for East Anglia. Given the financial benefits, Suffolk will consider pursuing its own devolution package with central government should the proposed joint arrangement with Norfolk County Council not proceed.

Defibrillator

The Parish Council has now formally taken ownership of the former telephone box. Tenders are now to be invited for the installation of the defibrillator itself; the aim being to have it in place by the end of August 2016. Further information will be provided in due course on awareness training for members of the community so that as many people as possible know how to use the defibrillator, arrangements for access to it, the role of the emergency services etc.

Highways Issues

The damaged road opposite Church Close has been repaired temporarily and has been identified for more extensive repair and re-surfacing when resources permit. Details are still awaited of the reasons for the rejection of the request to impose a speed limit on part of London City Road. The Council has received a very positive response following complaint to a local agricultural concern about speeding by one of their drivers.

Internal Audit

Other than one very minor observation on accounting practice the Council has received a clean Internal Audit report.

Next Meeting

The next meeting of the Parish Council will be held in the Coronation Hall at 7.30 pm on **Wednesday 7 September 2016.**

Council Membership

With two members absent, the Council was just quorate for its July meeting with the remaining three members present. Had one further member been unable to attend, the meeting could not have taken place. To avoid such a risk the Council is really concerned to recruit new members to fill the existing two vacancies. This issue has even greater relevance since one of the existing Councillors, who is relocating outside the parish shortly, may well cease to be a member. Residents are therefore asked to consider joining the Council to ensure that it can continue to represent the community and to avoid the potential of control of the Council being assumed by the District Council through the imposition of external nominated representatives. Whilst important, being a member of the Parish Council is not unduly onerous with six regular (evening) meetings each year. It does however provide the opportunity to make a voluntary contribution to the community in which you live and to seek to influence the function of local government and democracy. Further information can be obtained from the Chairman (Ian Williamson 01379 388034 or the Clerk Julie Collett 01986 798258).

NEWS FROM WILBY SCHOOL

It doesn't seem possible that another school year is nearly over. We held our annual Leavers Service when we said goodbye and good luck not only to our Year 6 children who are moving up to High School, but also to Mrs Coleman and Mrs Utting. We send all good wishes to them all as they move on to new adventures and hope that they will always remember their time at Wilby.

Huge CONGRATULATIONS to year 6 for their incredible SAT's results!

The last two weeks of term have seen the Hollowford Year 6 residential to Derbyshire and we also have some Year 5's taking part in a '*Spelling Bee*' at Worlingworth Primary. Willow Class performed their play '*The Ancient Egyptians*' - A time travelling play where the children meet up with Pharaohs and Egyptian Gods, plenty of songs along the way.

Our Summer Fayre '*Royal Garden Party*' raised **£1,053.33** for the school. This is an astonishing amount of money for the size of our school and we wish to thank our wonderful '*Friends of Wilby School Association*' for all their hard work towards this event. Thank you also to everyone who came along to support their children at sports day and those who attended our '*Music for a Summers*' Evening' which was a great success.

With Mrs Coleman moving to the Grange Community Primary School in Felixstowe, Mrs R Wiseman will be the new interim Headteacher of our school from September- we wish them both well in their new roles.

*If you have any queries regarding the School please contact
the School for more information on 01379 384708.*

Flyers in Wilby's newsletters

We sometimes include flyers in the newsletters which are distributed to Wilby parishioners. At the moment we include these free of charge. However in the future we would ask for a small contribution towards this service. When the flyers are produced and given to Priscilla Williamson for inclusion we would ask for £5. If the church are asked to photocopy these and produce them we would ask for £10. The money for this is payable to Wilby PCC and can be given to Priscilla Williamson when delivering the flyers.

Brundish Film Night

Our audience numbers have averaged a very encouraging 33 and we are most grateful for the continued support of the community in Brundish and beyond for films in the village hall. The most popular film this year was *The Lady in the Van* for which the audience of 49 we believe is an all time record for Brundish, pipping *The Queen* (48) and *The King's Speech* (47).

Our next season starts in October 2016 and details will be given as usual in the Parish Newsletter.

SPONSORED CYCLE RIDE
10th September 2016

Fancy yourself in lurid Lycra; or perhaps in rusting cycle clips?

Now is the time to get out your bike, 3 gears or 24, and take to the road to warm up for the Church Sponsored Bicycle Ride and Walk on
10th September, 2016.

It is not important how many churches you visit, just cycle to Brundish Church if that is all you want to do, but the day is a fabulous way of seeing the countryside, visiting beautiful, ancient churches in Suffolk and stopping for a picnic on your way.

The sponsored money you raise helps to restore and repair our magnificent churches, if it is only a few pounds it all helps and the Suffolk Historic Churches Trust is extremely grateful to all of you.

Please phone **Anne St Quinton**, on 01728 628 309 for a sponsor form and details of churches open in and around Suffolk, and she will gladly drop one off to you. Or email her on annie_mole@yahoo.co.uk

Every donation is valued and for those of you who haven't been involved before, it is a wonderful, leisurely day for everyone, young, old and, of course, children.

Thank you. Make sure you mark it in your diary.

Anne St. Quinton

BRUNDISH BARISTAS

We're taking a sabbatical until October.

Wonder what we'll have learnt!

See you then.

Having problems with your broadband speed? These ideas might help.

I'm a retired Communications Research Engineer and would like to add my observations to the Wilby/Broadband debate.

I was struck by the range of broadband speeds reported at the Wilby parish questionnaire results meeting on the 24th February. Considering we are all broadly the same distance from the Stradbroke exchange, I would have expected a narrower range of speeds, so why the range? In my own case, I have found in the past that old internal phone wiring can reduce broadband speed. Back in the day when telephones were fitted with real bells, extensions were wired so that the transmission circuits were in parallel and the bells were in series because they needed a lot of current. Each new extension would lead to more and more wiring.

These days the ringer is low current and can be integrated with the transmission circuit. This means that phones can be simply connected in parallel with two conductors. Additionally, cordless phones are easily available and do away with wiring.

Fitting a BT iplate onto your master socket will disconnect the extension bell wire for you and leave you with only the connections you need for a modern telephone and ADSL router setup. The bell wire can act as an aerial and introduce unwanted noise into the signal.

Each telephone requires an ADSL filter so that the phone doesn't interfere with the broadband router signals. Some filters do their job better than others and it worthwhile getting the best ones you can find.

Finally, it's worth knowing that each ADSL enabled line has what's called an IP profile. This is a throttle or restriction on the rate at which data can be sent down the line and is part of the exchange management system as there is no point in sending data at a rate faster than can be utilised. Imagine that if Andy Murray could return a maximum of one ball a second, if you send him two balls a second, he is still limited by his maximum!

The upshot is that if you can improve your broadband speed by simplifying your wiring etc, the IP profile won't track your improvements for a couple of days. To see the IP profile for your line, if you are with BT, go to <http://www.speedtest.btwholesale.com/> and complete the test including the further diagnostics. High speed broadband for Wilby is at the survey stage so at least BT knows where we are! Good luck, all! Robin Cross, The Old Forge, Wilby: robin.cross@suffolkonline.net

NEWS FROM BRUNDISH

Parish Council

The next parish meeting will be on **Tuesday, 13th September** at 7.45pm.

Brundish Village Fete

The village fete was a great success this year helped by fine weather and the hard work of the volunteers especially Tim Gillingham who cuts the Village Green grass throughout the year. Many thanks to all who made cakes, donated prizes and particularly to Lane Farm who very kindly again donated their delicious burgers and sausages for the barbeque. This year we had a penalty shootout competition and races for the children and as they were a success we shall include them again next year, if you have any suggestions for more activities please let me know, as fresh ideas are very welcome.

We raised a total of **£714.26**.

This has been divided equally between the village green and the church.

The gate supporting the five bar gates and the pedestrian gate will now be replaced as soon as we are able to arrange it, as they now have both collapsed. The money raised at the village fete should be sufficient for this work to be done.

NEXT YEAR'S FETE will be on **Sunday 16th July 2017**.

Litter Pick. (Keep Brundish Tidy!)

Every year, various people have arranged a Saturday morning meet of a few hardy souls who volunteer their time to pick up litter in and around the village. Of late, those who wish to be involved have picked their own time to do their patch and have reported their contribution to the co-ordinator avoiding duplication. The village seems pretty much in good order this year, but it is still worth making an effort just to make sure everything stays that way. If you wish to take a stretch of road near to where you live and litter pick then please let me know. Should anyone wish to do something more co-ordinated on a particular day then please call me and I will sort something out which is convenient for all. Whichever way it works, please help to keep Brundish a very lovely place to live in. Thank you. *David Mulrenan. 01728 628063.*
