June 2016

Dear Friends,

On the 25th of this month, our Cathedral in Bury St Edmunds will be holding a very special service - the ordination of priests. It is at that time that those who have answered God's call to ministry are finally ordained as priests, having gone through an agonisingly long process of prayer, discernment, interviews, tests and training - this process sometimes lasting several years.

Our Rural Dean's curate, Cathy, will be ordained at that time, so I ask you all to pray for her and all those who have answered God's call to ministry.

It is no secret that those entering ordained ministry is at an all-time low, coupled with the fact that a very large proportion of existing priests are over 50, and so their eventual retirement will leave a huge shortfall. Needless to say, we must be prepared for this. As Linda Woodhead wrote in the Church Times: *"There are no longer enough troupers left to keep the show on the road, and the show will have to change."*

In the meantime, we should continue to pray for, and encourage, those who minister to us and give them whatever support we can, along with our appreciation. We can also pray for more people to come forward and offer their lives to Christ and help keep his church alive; please remember that while it is comforting to hope that 'someone else' will do it, sometimes you are 'someone else'.

Jesus urges us to take up our cross and follow in his footsteps and while it is true that (using a little poetic license) St Paul said *'...not all can be priests...'* somebody has to do it. Cathy has answered our Lord's call, please keep her in your prayers.

With my prayers and best wishes,

Ron

NEWS FROM WILBY PARISH COUNCIL

The Parish Council held its Annual Meeting on **Wednesday, 18th May 2016**.

Appointments

The new Council is made up as follows:

Chairman	Ian Williamson
Vice-Chairman	David Holliday
Councillors	Steve Lee
	Todd Strehlow (<i>Planning/Footpath Warden</i>)
	Ian Taylor (<i>Village Hall representative</i>)

Clerk & Responsible Finance Officer Julie Collett

There remain two vacancies on the Council. Anyone interested in joining the Council should please contact the Chairman (01379 388034) or the Clerk (01986 798258). Local resident Julian Roughton has kindly volunteered to fill the vacant post of Tree Warden with immediate effect.

HM Queen Elizabeth II 90th Birthday Commemorative Medals

The Council was pleased to support a proposal from the Village Hall that to mark *The Queen's 90th Birthday* every child living in Wilby should be given a Commemorative Medal. These will be presented at the *Village Hall Summer Fête* on **Saturday 11 June 2016**. (Separate arrangements will be made for those children unable to attend.) The costs will be met by the Parish Council. To ensure that every child under 18 is included, parents are asked to register their child by no later than **9 June 2016**, giving the child's name and address to Ian Taylor either by phone (01379 388112) outside normal working hours or by email to trickyeddy2@gmail.com at any time. *Further information can be obtained from Ian Taylor.*

Note from Footpath Warden

Generally the footpaths around Wilby are thought to be in good order - kept fairly clear and properly signposted. If there are any problems or suggestions, please contact the footpath warden by email: toddstrehlow@yahoo.com. Alternatively there is a simple form for reporting problems, which can be found online by searching Suffolk County Council Rights of Way. Several footpaths around Wilby are mowed once or twice annually by Suffolk County Council. However, Suffolk has 3,500 miles of rights of way and it is unlikely that SCC will always be able to monitor and/or maintain all of them, all of the time. This is especially so at this time of year - just as the weather warms up, so the nettles and brambles grow and paths can quickly become impassable. If there is a path near you, that you care about, we'd urge to take secateurs and gloves with you and do some DIY maintenance. If a path is on your own land, please take a mower or hedgetrimmer to the task, even if the path in question is SCC's responsibility. *Thank you!*

Next meeting

The next meeting of Council will be held at 7.30 pm on **Wednesday, 6th July 2016** in the Village Hall. *All are welcome to attend.*

NEWS FROM WILBY SCHOOL

Our gymnasts took part in a regional British Gymnastics event at Pipers Vale, with our under 11 team winning gold and going through to county finals in July. I would like to say a big thank you to Lily & Theresa Samson for coaching and putting together routines.

We have taken part in a local Swimming event at Diss, with several children coming first in their individual disciplines. Now that the weather has improved both Willow and Chestnut classes will be going swimming. We pride ourselves in being able to offer our pupils the opportunity to swim from year 1 onwards.

We continue to build our strong roots with the church. It is a great pleasure for our pupils to have regular Christian visitors who support our collective worship. I would like to thank both Adam Blowes, the Pastor of Horham Baptist Church and Revd. David Burrell our vicar for their contributions to our Christian ethos. I'd also like to extend the whole school's gratitude to Horham Baptist Church for their generous donation of Bibles suitable for our pupils to explore the Christian story. They have been a big hit in the classrooms.

I'd like to thank all those people who make all the exciting learning opportunities our pupils experience possible, especially those people behind the scenes. To the governing body, all volunteers, who give up their time to develop the strategic direction of our school, as well as rigorously challenging the leadership team to ensure our pupils get the best learning opportunities. I'd like to thank all our parents, who are fully supportive of our school and rally round whenever and however they can. FOWSA parents, both past and present, who have worked tirelessly to provide those icing on the cake experiences for our children. To our staff and pupils – who are hardworking, motivated, determined and aspire to be the best they can be. In my opinion we make an amazing team!

I'd like to take this opportunity to share with the community some changes about to take place. From September 2016 I have accepted the position of Headteacher of Grange Primary School, Felixstowe. I have real mixed emotions as I share this news, both excitement at the next steps in my career and with sadness as I prepare to leave Wilby, which stole my heart and accepted me as part of its community. I would like to share with you that the governing body working in conjunction with Suffolk County Council and the Diocese, are in the process of ensuring the future of Wilby C of E Primary School remains secure and strong and they will let people know as soon as possible the outcome of their decisions.

2nd July - *Summer Fair* – please come along and support us

7th July - *Music for a summer's evening* – please come along and support us

Our audience numbers have averaged a very encouraging 33 and we are most grateful for the continued support of the community in Brundish and beyond for films in the village hall. The most popular film this year was *The Lady in the Van* for which the audience of 49 we believe is an all time record for Brundish, pipping *The Queen* (48) and *The King's Speech* (47).

ST LAWRENCE'S CHURCH, BRUNDISH

A Service of Thanksgiving for the Restoration of the church and for the 90th birthday of H.M. Queen Elizabeth II

4 p.m. **Sunday, 5th June** at St. Lawrence's Church.

Followed by a "Bring and Share" picnic.

As the current restoration nears completion, the church will be hosting a celebratory service of thanksgiving on the above date followed by a "bring and share" picnic to celebrate The Queen's birthday. The Right Reverend Dr Michael Harrison, the newly appointed Bishop of Dunwich, will be our special guest. Although the nation will be celebrating the next weekend, we thought we might as well get in first and bring the two celebrations together.

A picnic of this type means there will be no major preparations needed and everyone can suit themselves, food-wise. If the weather is unkind we can always de-camp to the church!

Along with your food, please bring whatever you want to drink and some deckchairs or garden chairs. It promises to be that sort of special occasion which our church does best. *Please do come.*

Preparations for the Thanksgiving Service

Would those all those fantastic bakers out there around the village please consider to bake a cake which will be appropriate to celebrate the Queen's 90th birthday?

If, say, six of you bake a biggish cake each, it will probably be enough for everyone present to have a slice. Also, would you consider bringing a bottle or two of something bubbly or fizzy to drink a loyal toast? If everyone brings at least one bottle there should be enough to go round. Or maybe a little more!

St Lawrence Restoration Project UPDATE

Work is now being completed to the porch repairs.
Four downpipes have been put in place following completion of re-pointing and the scaffolding has been removed.

Currently, the scheduled work is due to be completed late May as we had been held up somewhat by the recent cold wet weather.

We are giving consideration to re-turfing the entrance to the church yard, as opposed to the planned seeding in order that the appearance will be improved in readiness for two weddings due in June and July

Perhaps the most important comment to be made is that it appears that the new rainwater goods and draining are already having a positive impact if you look at the current dryness of the church aisle.

Wonder what we'll have learnt!*

See you then.

Having problems with your broadband speed? These ideas might help.

I'm a retired Communications Research Engineer and would like to add my observations to the Wilby/Broadband debate.

I was struck by the range of broadband speeds reported at the Wilby parish questionnaire results meeting on the 24th February. Considering we are all broadly the same distance from the Stradbroke exchange, I would have expected a narrower range of speeds, so why the range? In my own case, I have found in the past that old internal phone wiring can reduce broadband speed. Back in the day when telephones were fitted with real bells, extensions were wired so that the transmission circuits were in parallel and the bells were in series because they needed a lot of current. Each new extension would lead to more and more wiring.

These days the ringer is low current and can be integrated with the transmission circuit. This means that phones can be simply connected in parallel with two conductors. Additionally, cordless phones are easily available and do away with wiring.

Fitting a BT iplate onto your master socket will disconnect the extension bell wire for you and leave you with only the connections you need for a modern telephone and ADSL router setup. The bell wire can act as an aerial and introduce unwanted noise into the signal.

Each telephone requires an ADSL filter so that the phone doesn't interfere with the broadband router signals. Some filters do their job better than others and it worthwhile getting the best ones you can find.

Finally, it's worth knowing that each ADSL enabled line has what's called an IP profile. This is a throttle or restriction on the rate at which data can be sent down the line and is part of the exchange management system as there is no point in sending data at a rate faster than can be utilised. Imagine that if Andy Murray could return a maximum of one ball a second, if you send him two balls a second, he is still limited by his maximum!

The upshot is that if you can improve your broadband speed by simplifying your wiring etc, the IP profile won't track your improvements for a couple of days. To see the IP profile for your line, if you are with BT, go to <http://www.speedtest.btwholesale.com/> and complete the test including the further diagnostics. High speed broadband for Wilby is at the survey stage so at least BT knows where we are! Good luck, all! Robin Cross, The Old Forge, Wilby: robin.cross@suffolkonline.net

NEWS FROM BRUNDISH

Parish Council

The next parish meeting will be on **Tuesday, 13th September** at 7.45pm.

Chris Smart has agreed to be the new Footpath Warden.

New Secretary for the PCC

Chris Smart has been elected from to Brundish PCC as the new secretary as from the date of the Annual Parochial Church Meeting. Chris brings a wealth of knowledge and experience with her and the PCC are very grateful to her for agreeing to come on board.

She replaces Gill Self who was meticulous in her efficiency in everything she did during her tenure. She retires with the gratitude of everyone who worked with her.

Litter Pick. (Keep Brundish Tidy!)

Every year, various people have arranged a Saturday morning meet of a few hardy souls who volunteer their time to pick up litter in and around the village. Of late, those who wish to be involved have picked their own time to do their patch and have reported their contribution to the co-ordinator avoiding duplication. The village seems pretty much in good order this year, but it is still worth making an effort just to make sure everything stays that way. If you wish to take a stretch of road near to where you live and litter pick then please let me know. Should anyone wish to do something more co-ordinated on a particular day then please call me and I will sort something out which is convenient for all. Whichever way it works, please help to keep Brundish a very lovely place to live in. Thank you. *David Mulrenan.* 01728 628063.

and visitors. We have a whole wall of poster space, and can display event fliers in our
leaflet racks. We have a board available to publicise any special occasions, and we
regularly use Facebook and twitter to share information about our area.

There are lots of fantastic events in the area this month; The Suffolk Show 1st & 2nd June,
Museum of East Anglian Life Blues Festival on Sat 11th and the Queens 90th Birthday
celebrations at St Peter and St Mary's Church in Stowmarket, from 4th – 12th. Old Newton
have their open gardens event on 12th to coincide with the Queens 90th Birthday.

Suffolk Open Studios is every weekend in June and includes around 30 Studios and Gal-
leries in the Heart of Suffolk. We sell tickets for fundraising events and concerts, and take
bookings for Suffolk's Year of Walking. Local guided walks are in Mendlesham – 4th,
Debenham - 15th, Needham Market- 17th, Gosbeck – 22nd. We are also agents for National
Express Coaches and front of house for the Museum of East Anglian Life.

If you have an event that could do with some extra publicity, bring us a poster,
or pop in to ask about a bigger display on our board.

Contact us: phone, **01449 676800**; email Tic@baberghmidsuffolk.gov.uk, to see what else
we could do to help. We are in Stowmarket, opposite ASDA, just up the hill. Sue Green
