Dear Friends,

Do you remember Archbishop Michael Ramsey? He was once asked how long he spends praying each day and after a moment's thought he answered, *"About two minutes. But it takes me twenty-five minutes to achieve that."*

Prayer can be very difficult; I am often challenged with questions such as: *How often should I pray? How should I pray? What should I pray about? How long should I pray for? How do I handle all the intrusive thoughts that keep getting in the way?*

There is no single answer to these questions. St Teresa of Avila once wrote that she found prayer very difficult and likened intrusive thoughts to being like flies buzzing round her head when she was trying to work in the vegetable patch.

I once listened to a well-known speaker, Michele Guinness, talk on the subject of prayer and she told of an instance where she discussed the plight of one of her husband's parishioners with him. At the end of the conversation, he said, *"Shall we pray for her?"* To which Michele replied: *"I thought we just had."*

There is no magic formula to prayer. Pray when you have something to share or to say in a way you feel is right for you, don't feel that you have to kneel; don't be overly formal, talk to God as if you are talking to a friend – because you are! Somebody once said they imagine that they are leaving a message on an answering service – why not? It obviously works for them! Pray about the things that bother you or that you want to be thankful for; take as long as you need.

If all else fails, just take some quiet time to sit and be with God. Open yourself to Him and let Him look on you and in you. Jesus once said that before you have opened your mouth to pray, God knows what you need.

With my prayers and best wishes,

Ron

NEWS FROM WILBY PARISH COUNCIL

The Parish Council held an extraordinary meeting on 16 March 2016 to consider three new planning applications.

Planning applications

Separate applications to convert a barn and construct a new outbuilding either for use as a single dwelling and garaging or for holiday letting at Town Farm, Stradbroke Road were supported without qualification.

A re-application to remove the agricultural occupancy condition from Chestnut Tree Farm, Horham Road was opposed on the grounds that the dwelling, which was only completed in 2008, was erected on the strict proviso that the condition would apply; and that, notwithstanding the evidence produced by the applicant of no interest from buyers, there remained a need for houses for agricultural workers in the local area and it was considered that a sale might be achieved were the price reduced to a level closer to the original build cost.

Annual Parish Meeting

A reminder that the Annual Parish Meeting will be held in the Coronation Hall at 7 pm on **Wednesday 4 May 2016**. This is an opportunity for all residents to meet to discuss matters of mutual interest and to hear from organisations in the village about their activities and plans. Cheese and wine will be provided at the conclusion of the meeting.

Next meeting Wilby Parish Council

The next regular meeting of the Parish Council, which will be the Annual Meeting of the Council, will be held at 7.30 pm on **Wednesday 18 May 2016** in the Coronation Hall. Members of the public are welcome to attend. Two vacancies remain on the Council – if you are interested in joining the Council please contact either the Clerk (Julie Collett on 01986 798258) or the present Chairman (Ian Williamson on 01379 388034).

NEWS FROM WILBY SCHOOL

It doesn't seem possible that Summer term is upon us already, it is going to be a long term but an exciting one here at Wilby School.

Spring term came to an end with the school working with the village hall for their Easter Fair pupils participated in an Easter Egg hunt on the school field and an Easter bonnet competition. Well done Ella Miles for winning first prize in the bonnet competition.

We had a wonderful Easter Service supported by Revd. Burrell. Thanks to Miss Laurie, Mrs Walpole and Chestnut Class for their Easter Play which shared with us all the Christian celebration of Easter. A wonderful way to end the term.

Summer term began on 13th April and got off to a busy start with Beech class competing in a swimming Gala at Diss Pool. The Gymnastics club have had the opportunity to practice at a professional gymnastics venue before participating in the Suffolk Sports Games Gymnastics competition on 26th April.

Our Year 6 children are having a busy May - they are working hard in preparation for the SATs exams which begin on 9th May good luck to you all! On 15th June they start their Bikeability training, then on 20th May they are off to London when amongst other things they will be having a guided tour of the the Houses of Parliament.

We are in the planning stages of organising a school Olympics experience, through our Family of Schools, which will enable pupils to experience a wider variety of sports, and sports that are provided locally. We are hoping this will be held towards the end of May more info to follow.

We are looking forward to welcoming the Diocesan Board of Education into school to support our Christian ethos and look at how we teach RE across the school.

'Tea and Toys' is a toddler group which is run at the School every Thursday morning, 9.30am – 11.00am, in termtime. It is free and open to anyone with children aged 0 – 5 years. Please come along and join in the fun you would be made most welcome!

If you have any queries regarding the School please contact the Headteacher, Mrs Coleman, for more information on 01379 384708.

VOLUNTEERS REQUIRED

Do you have some free time? Do you enjoy the outdoors and the smell of fresh cut grass?

If so we are seeking volunteers to help us look after our churchyard. There is a job for everyone from cutting and strimming grass to picking up leaves and pruning trees in the Autumn.

If you would like to help just give me a ring on 01379 388040 and get involved.

Thank you in advance *Rob Barber*

Wingfield and District Gardening Club

Thursday, 26 May in Brundish Village Hall at 7.30 our speaker will be Helen Hillier from *Helens Herbaceous* in Shropham who specializes in plants for cutting.

Before our very eyes she will create 4 different styles of flower arrangements which we will then raffle.

As an art school graduate, Helen's confections are sure to be practical and innovative.

Juice and wine available; non-members always welcome - £3 at the door.

For further information email *on priscillaawilliamson@gmail.com* or ring 01379 388034

Brundish Film Night

Our final film for the current season will be *Bridge of Spies* to be shown on **Thursday 12 May 2016** (replacing the previously announced James Bond film, *Spectre*, as the latter has been withdrawn from the available menu and would only be available to us at substantial extra cost).

Bridge of Spies is the Cold War story of the steps taken to secure a prisoner swap between the Soviet spy, Rudolf Abel, and the downed U2 Pilot Gary Powers held in Soviet custody.

A former US criminal prosecutor at Nuremberg is recruited to defend Abel at his trial in the USA and subsequently (acting on behalf of the CIA) to broker an exchange deal in Soviet controlled East Berlin.

Directed by Steven Spielberg, the film stars Tom Hanks as the lawyer and Mark Rylance as Rudolf Abel, whose performance won him an Oscar as Best Supporting Male Actor. Doors open at 7 for 7.30 pm, tickets payable at the door (£5 for adults and £4.50 for Under 18s), usual bar facilities available. Certificate 12A with some violence and profanity.

To reserve your place at what we expect to be a very popular end of season film, please contact Priscilla Williamson on 01379 388034 or by e-mail *on priscillaawilliamson@gmail.com*

NEWS FROM WILBY CORONATION HALL

Charity Number: 30483959

"Striving for something for everyone"

Thanks to everyone who contributed and supported us at the Spring Fayre.

The primary school children enjoyed the Easter Egg Hunt and it was lovely to see their Easter Bonnet entries. We had a range of stalls and many people enjoyed their cream tea. We are still selling 'squares' for our Golden Orb draw and as soon as all tickets have been sold we will publish the winner of the draw. The proceeds so far total around £300. If you are interested in buying (£1) one of the remaining 'squares' please contact me.

The summer fete is scheduled for **June 11th** (midday - 4pm) and will incorporate the celebration of the Queen's 90th birthday. Any ideas, offers of support and help or donations will be gladly received. We look forward to your continued support. If anyone has any historical photos of Wilby/Wilby Green, and in particular the pond next to the Hall, we would be very interested in seeing them as this will aid the restoration of the pond, which is an ongoing project being undertaken by the committee. Of course any other photos of Wilby/Wilby Green and its residents would also be of interest.

ST LAWRENCE'S CHURCH, BRUNDISH

Rogation Service

3p.m. **Sunday, 1st May** from St. Lawrence's Church.

Rogation Sunday this year falls on a date which we would normally have an Evensong Service, so it has been decided to have a special service earlier in the afternoon in order that we can travel around the village in time-honoured tradition. This service is still important to agricultural places like Brundish, as it asks for God's blessings on the crops and livestock, in order that they flourish during the growing season.

It's a lovely occasion, especially if the weather is good!

Do join us if you can.

A Service of Thanksgiving for the Restoration of the church and for the 90th birthday of H.M. Queen Elizabeth II.

4 p.m. **Sunday, 5th June** at St. Lawrence's Church.

Followed by a "Bring and Share" picnic.

As the current restoration nears completion, the church will be hosting a celebratory service of thanksgiving on the above date followed by a "bring and share" picnic to celebrate The Queen's birthday.

The Right Reverend Dr Michael Harrison, the newly appointed Bishop of Dunwich, will be our special guest. Although the nation will be celebrating the next weekend, we thought we might as well get in first and bring the two celebrations together.

A picnic of this type means there will be no major preparations needed and everyone can suit themselves, food-wise. If the weather is unkind we can always de-camp to the church!

It promises to be that sort of special service which our church does best.

Please put the date in your diaries and do please make a big effort to join us on this historic occasion.

St Lawrence Restoration Project UPDATE

Work has continued on the re-pointing of the north wall, and will continue for another two weeks to completion.

Attention will then turn to the porch repairs.
There are four downpipes still to be put in place once the re-pointing is completed and the scaffolding removed.

Currently, the scheduled work is due to be completed mid May as we have been held up somewhat by the recent cold wet weather.

We are giving consideration to re-turfing the entrance to the church yard, as opposed to the planned seeding in order that the appearance will be improved in readiness for two weddings due in June and July

Perhaps the most important comment to be made is that it appears that the new rainwater goods and draining are already having a positive impact if you look at the current dryness of the church aisle.

BRUNDISH BARISTAS

*Brundish Baristas' next bash
will be on Thursday 2 June
at the Village Hall, 10am to 12 noon.*

Welcome in the summer with a bacon bun and coffee.

*"It just gets better and better."
See you there!"*

Having problems with your broadband speed? These ideas might help.

I'm a retired Communications Research Engineer and would like to add my observations to the Wilby/Broadband debate.

I was struck by the range of broadband speeds reported at the Wilby parish questionnaire results meeting on the 24th February. Considering we are all broadly the same distance from the Stradbroke exchange, I would have expected a narrower range of speeds, so why the range? In my own case, I have found in the past that old internal phone wiring can reduce broadband speed. Back in the day when telephones were fitted with real bells, extensions were wired so that the transmission circuits were in parallel and the bells were in series because they needed a lot of current. Each new extension would lead to more and more wiring.

These days the ringer is low current and can be integrated with the transmission circuit. This means that phones can be simply connected in parallel with two conductors. Additionally, cordless phones are easily available and do away with wiring.

Fitting a BT iplate onto your master socket will disconnect the extension bell wire for you and leave you with only the connections you need for a modern telephone and ADSL router setup. The bell wire can act as an aerial and introduce unwanted noise into the signal.

Each telephone requires an ADSL filter so that the phone doesn't interfere with the broadband router signals. Some filters do their job better than others and it worthwhile getting the best ones you can find.

Finally, it's worth knowing that each ADSL enabled line has what's called an IP profile. This is a throttle or restriction on the rate at which data can be sent down the line and is part of the exchange management system as there is no point in sending data at a rate faster than can be utilised. Imagine that if Andy Murray could return a maximum of one ball a second, if you send him two balls a second, he is still limited by his maximum!

The upshot is that if you can improve your broadband speed by simplifying your wiring etc, the IP profile won't track your improvements for a couple of days. To see the IP profile for your line, if you are with BT, go to <http://www.speedtest.btwholesale.com/> and complete the test including the further diagnostics. High speed broadband for Wilby is at the survey stage so at least BT knows where we are! Good luck, all! Robin Cross, The Old Forge, Wilby: robin.cross@suffolkonline.net

NEWS FROM BRUNDISH

Welcome, welcome back, goodbye and thank you.

At the Annual Parochial Church Meeting last month, the PCC was delighted that Mig Bacon is to carry on as churchwarden alongside John Graham. Mig's wisdom is legendary, and the PCC would have been much worse off without her!

Additionally, and sadly, we say goodbye to Gill Self as our secretary, who has served with great efficiency over the past several years, for which we are enormously grateful. Happily, she and her husband Robin, will stay amongst us in our church worship. Last, but by no means least, we are delighted to welcome on board Chrissie Smart as our new secretary. Chrissie comes to us with bags of experience, so we are very lucky to have pinned her down!

Litter Pick. (Keep Brundish Tidy!)

Every year, various people have arranged a Saturday morning meet of a few hardy souls who volunteer their time to pick up litter in and around the village. Of late, those who wish to be involved have picked their own time to do their patch and have reported their contribution to the co-ordinator avoiding duplication. The village seems pretty much in good order this year, but it is still worth making an effort just to make sure everything stays that way. If you wish to take a stretch of road near to where you live and litter pick then please let me know. Should anyone wish to do something more co-ordinated on a particular day then please call me and I will sort something out which is convenient for all. Whichever way it works, please help to keep Brundish a very lovely place to live in. Thank you. *David Mulrenan. 01728 628063.*
